

Incident at Hillel December 8, 2023

Earlier today two individuals who appear to be students entered our building and caused a small disturbance shouting political slogans and obscenities, disrupting regular activities including a small Hanukkah celebration.

We are in touch with the appropriate authorities.

Targeting students based on their Jewish identity is unacceptable. As always, the security and wellbeing of our community is of the utmost concern. Please reach out if you need support. Bias reporting resources can be found on our website.
